

Year-end Celebrations

Our Brockport campus was filled with laughter, high-fives and countless celebrations throughout the last few months of the 2021-22 school year. Each building honored the achievements and milestones of their students with parades, award ceremonies, fun activities and special events.

Congratulations,

*BCSD students, staff
and families on an
incredible year.*

Take pride in your hard work and in all that you have accomplished. Best of luck to our Class of 2022! We know you will go on to do amazing things.

Dear Brockport Community,

The end of the school year is always an exciting and memorable time for our entire school district. Our Class of 2022 has officially graduated and are looking forward to new adventures. Traditional celebrations returned and were held throughout campus to acknowledge milestones, accomplishments and transitions. Our eighth-graders are now eagerly awaiting their freshman year at high school, our fifth-grade Hill Hawks are excited to transition to middle school, and our UPK students are bursting with pride to start kindergarten.

I'd like to congratulate all of our students on their many achievements and for successfully completing the school year. As you review the summer edition of Focus, you will see how our

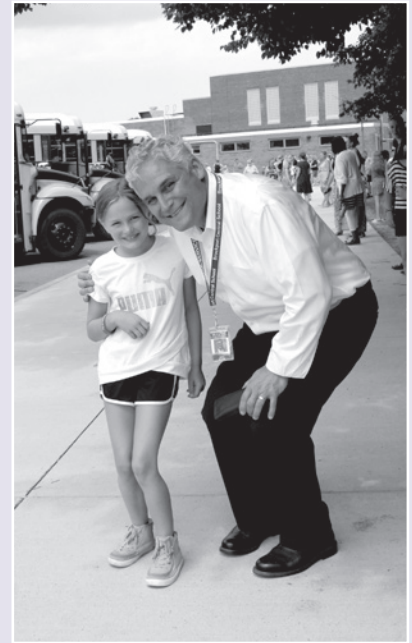

students are excelling academically, athletically, through the arts/music, in the community and with the trades. It is incredible to watch our students develop throughout each year and grow into their unique talents and skills.

I share in the excitement of the upcoming 2022-23 school year and look forward to the many activities, events and programs we have scheduled. Have an enjoyable summer, relax and recharge. I will see you in the fall.

Sincerely,

Sean C. Bruno
Superintendent of Schools

"Congratulations, Class of 2022!

We were honored to be a part of your commencement celebration.

Best of luck in all that you do, and never stop learning."

- Brockport Board of Education

Transportation Employees Honored

Brockport Central School District nominated three Transportation Department employees to be recognized with the Employee of the Year award for the 2021-22 school year. Each year, the Rochester Area Transportation Supervisors Association recognizes employees nominated for the Professional Pupil Transportation Employee of the Year award. Criteria for nominees include good attendance, friendly disposition, relatability and whether the employee readily accepts and exceeds responsibilities while remaining accident free. Brockport nominees for the 2021-22 school year include Christine Connelly, Nicole Fantauzzo and Marisol Paz. Congratulations and thank you for everything you do for Brockport!

Ginther's New Administrators

Randall Yu

This fall brings administrative changes to Ginther Elementary School. After ten years as Ginther's principal, Debra Waye retired at the end of June. Although we will miss her, we wish her the very best in her retirement.

Ginther's Assistant Principal Randall Yu was selected and appointed as the next principal for Ginther Elementary. Mr. Yu is a Brockport CSD graduate and began his career at the District as a substitute teacher in 2010. He was hired in 2012 as an elementary teacher at Hill School then was selected as Ginther's assistant principal in August of 2021. Mr. Yu also served as Brockport's new teacher mentor, the grade 5 Math leader/facilitator, the elementary Math/Science curriculum and assessment writer, and he has been a varsity football coach since 2010.

Kelly Keenan

Instructional Coach Kelly Keenan was offered and accepted Ginther's assistant principal position. This summer, Mrs. Keenan will serve as the principal for

Brockport's K-6 Math and Literacy Program. Her official appointment as assistant principal for Ginther will begin after the completion of summer school, on August 12. Mrs. Keenan joined BCSD in September of 2001 as a special education teacher. In 2014, she became an instructional coach at Ginther. Mrs. Keenan has held a wide variety of leadership roles in Brockport including leading our English Language Learners summer school program in 2021, department chair, mentor co-chair, and she also assists with leading the work on the digital readiness committee.

"Randall and Kelly will make an outstanding team at Ginther," said Superintendent Bruno. "Both have proven their abilities in building strong data-driven instruction and excel in developing positive relationships with all stakeholders. Their dedication and commitment to our students, staff and families is evident each day. I look forward to working with them in this capacity and hope you will join me in warmly welcoming them to their new positions."

Tenure Awarded

Congratulations to the following individuals for earning tenure during the June 7 Board of Education meeting.

Ginther: Amy Rybacki & Silvia Wharram

Barclay: Leslie Bates & Ashleigh Grant

Hill School: Lauren Reinhardt

Oliver Middle School: Hugo Herrera & Laura Mueller

Brockport High School: Kaleigh Dumigan, Matt Schirmer & Austin Stappenbeck

Central Office: Jerilee DiLalla

BCSD Retirees Honored

Brockport CSD retirees were recognized by the Board of Education in June for all they have done to help make a difference in students' lives. Retirees were honored with certificates, an engraved blue crystal apple and cookies during a short reception. Congratulations to these amazing Brockport faculty and staff members. Enjoy your retirement!

END-OF-YEAR HIGHLIGHTS

Farm Day

Our first-graders recently visited Robb Farms and learned about crops, farming, livestock, honeybees and much more. Thank you to Robb Farms for sharing all you do and the importance of farming with our students!

Students Explore History and Nature

Second-grade students explored the 19th century historic village and nature center at Genesee Country Village and Museum. They watched live demonstrations, visited a one-room schoolhouse, played games within the Village Square and much more. Students were also able to explore the trails and Nature Center to learn more about woodlands, meadows, geologic formations, ponds and wildlife.

Pie Pieces

In May, Ginther students earned “pie pieces” by using certain simple social strategies while solving problems. Each class that earned all their pieces got to add some whipped cream to “build” a pie. Then students were rewarded by blasting Mr. Yu with their pies.

Literacy Fair Fun

Hill School’s library was transformed into a magical land with creative and interactive learning stations, including a really cool cave, during its annual Literacy Fair. Students enjoyed the many hands-on activities that helped bring fun and imagination to literacy. Family Night provided an evening of educational entertainment with additional stations, prizes and ice cream.

Barclay Students Tour Hill

Barclay third graders were welcomed to Hill School in June to explore the building and begin to prepare for their transition to fourth grade this fall. Current Hill School students provided a personalized tour highlighting the important areas throughout the building, and they shared helpful tips and favorite memories.

Spelling Bee Success

Hill’s fourth and fifth-grade PTSA sponsored spelling bee returned this year. The initial competition was held after school, where students were quizzed on spelling words until a group of five finalists from each grade remained. When the top five spellers from fourth and fifth grade took the stage they had studied word lists, learned the spelling bee rules and were well-prepared for competition! Congratulations to all our finalists and our 2022 winners, Nick Stepanek (fourth) and Maleia Wight (fifth).

END-OF-YEAR HIGHLIGHTS

Memorial Day Ceremony

Local veterans and those currently serving were invited to join students and staff at OMS for a special Memorial Day Ceremony, ahead of the holiday weekend. The ceremony included music, a wreath laying and students reading names of those who lost their lives.

American History Trip

Oliver Middle School eighth-grade students had the opportunity to visit Washington, D.C. this spring. Students visited the National Academy of Science, the National Zoo and toured memorials and monuments throughout the Capitol. They learned a ton, had many laughs and enjoyed their time together.

BHS Students Compete in Envirothon

BHS students recently competed in the Monroe County and New York State Envirothon. Students were tested on their knowledge of forestry, aquatics, soils, wildlife and current issues. They also had to give an oral presentation to a panel of judges. Four teams of five students entered the Monroe County competition, and our BHS students took first, fourth, fifth and tenth out of eleven teams! The winning team, from Mrs. Cappella's AP Environmental Science course, went on to represent Brockport and Monroe County at the NYS Envirothon. They tied for sixth on their oral presentation, which discussed a plan to reduce compostable materials that go into landfills and addressed food insecurity concerns. They also placed eighth in aquatics, tenth in current environmental issues, seventeenth in soils, twentieth in forestry and twenty-third in wildlife management.

BHS Band at Lilac Festival

Our BHS Band returned to the Lilac Festival after a two-year hiatus due to COVID. The weather was incredible, the music outstanding, and our musicians were excited to be back!

INSTRUCTIONAL HIGHLIGHTS

Little Free Library

Happy summer!! Although summer vacation is a time to relax and rejuvenate, we hope your student will dedicate some time to reading.

Did you know that summer reading is essential to maintaining all students' school-year academic success? According to the book, *No More Summer Reading Loss*, "...the only summer activity related to improving reading achievement is summer reading."

Studies show that the effect of reading four or five books over the summer months can prevent a decline in reading from spring to fall. To help students maintain the success they worked so hard to achieve, we encourage you to include reading as one of your summer activities. The Suggested Summer Reading Lists can be found on the District's website (https://bcs1.org/news/what_s_new/summer_reading) and can assist you in selecting books for your students.

Some tips to consider:

- Search for books that feature characters with different backgrounds, experiences and identities in order to learn about other people's lives and stories. This will teach children the importance of empathy and kindness.
- Choice is huge! Students respond better to reading when they have a choice in the reading material.
- Read aloud to your child. Children of ALL ages enjoy hearing and sharing a good story.
- Visit your public library. The public library has excellent resources and programs.

Remember, the best way to beat the summer slide is by reading!

Rich Barrett's Creativity and Innovation technology class designed and manufactured a "Little Free Library" that will be installed in front of Brockport High School. Our BHS Library is excited about getting this registered as an official "Little Free Library" and keeping it stocked with books. Feel free to stop in and find a book to read this summer!

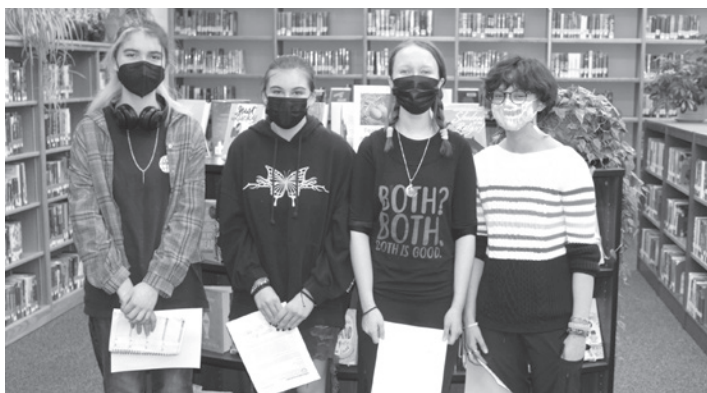

Students Recognized for Service to BHS Library

Four BHS students were recently recognized by the Board of Education for their volunteer work at the BHS Library. The students were honored during a presentation at the library in mid-April. BHS Librarian Kathleen Jaccarino and Principal Michael Pincelli presented the students with a letter of appreciation, written by the BOE, thanking them for the time they dedicated to the library.

Sophia Visconte was recognized for her role as student host of the "Brockport, Your Voice Now!" podcast. "Sophia immediately answered the plea and has wholeheartedly embraced her role as hostess of "Brockport, Your Voice Now!" Her enthusiasm and spark are contagious," wrote Mrs. Jaccarino. "She brought in others to co-host with her, she prepared engaging and thoughtful questions and developed ideas for future episodes. We are thrilled she answered the call."

Elizabeth Kuhlkin was recognized for her efforts in starting a book review project. "Elizabeth took the ball and ran with it. She gathered some friends, all avid readers, to work on this with her," explained Mrs. Jaccarino. "Elizabeth coined the venue, 'Jury's Verdict' and she (her friends joined later in the year) reviewed books, usually two/month, often more, centered on a theme. Elizabeth was steadfast and consistent in her efforts. Her reviews were insightful and thoughtful. She did this because of her love of reading and literature. It has been a pleasure working with her."

Ella Johnson and **Eilidh Dunbar** were also recognized for their work. "Ella and Eilidh were instrumental in helping us with the shift of the library collection we recently undertook in the high school library," described Mrs. Jaccarino. "They saw us moving and shifting books, asked what we were doing and then asked if they could help! They spent weeks, of their own time, after school or during lunch, helping with this monumental task. Every book in the library was moved at least once, and often more. They were tireless and thoughtful about the work. They didn't do this for extrinsic reason, no rewards or credit, but rather just to help. I am not sure how long this task would have taken without their help, but we are grateful that they jumped right in to assist. As a result, the library collection looks more appealing, and the shelves are much more accessible."

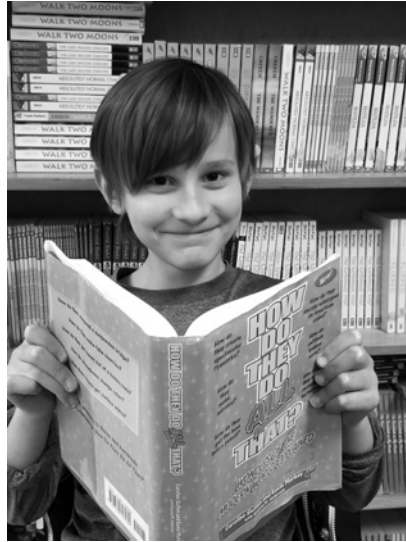

Hill Student Gives TEDx Talk

Ben George was a fourth-grade student in Mrs. Stoker and Mr. Albrecht's classroom at Hill School this past year. He is 9 years old, but he is already accomplishing amazing things.

At the end of April, Ben spoke about educational freedom on stage at the TEDx talk in Clinton, NY. Ben, who is one of the youngest TED talk speakers to ever take the stage, said he was both nervous and excited about the event. His talk addressed how educational freedom, the ability to help shape his own personal curriculum, has impacted him as a student and the beneficial impact it can have on other students. Ben has been able to take advantage of the opportunity of educational freedom this year, choosing different topics to focus on with reading assignments each night.

"Students should get to learn what they choose to be able to have more fun in school," said Ben. "One person would learn what they want to learn and the other would learn what they wanted to learn."

Ben was approached by Mr. Albrecht about the opportunity to present at the TEDx event after expressing an interest in taking ownership of his learning this year. "If I told myself a year ago that I'd be giving a speech to 150 people, I probably wouldn't have believed myself," said Ben.

Students Learn Dangers of E-cigs/Vaping

Throughout the end of May, our Student Support Partners met with Hill School's fourth and fifth grade students to discuss the risks of e-cigarettes and vaping. The team talked about the hazards of use, what they look like and the addictive properties of nicotine. They encouraged a healthy lifestyle and reminded our students that they have the power to say NO if ever asked to try e-cigs or vaping.

CIP Highlights

Congratulations to our students who participated in the BHS Career Internship Program. The group ended the year sharing what they learned through poster presentations.

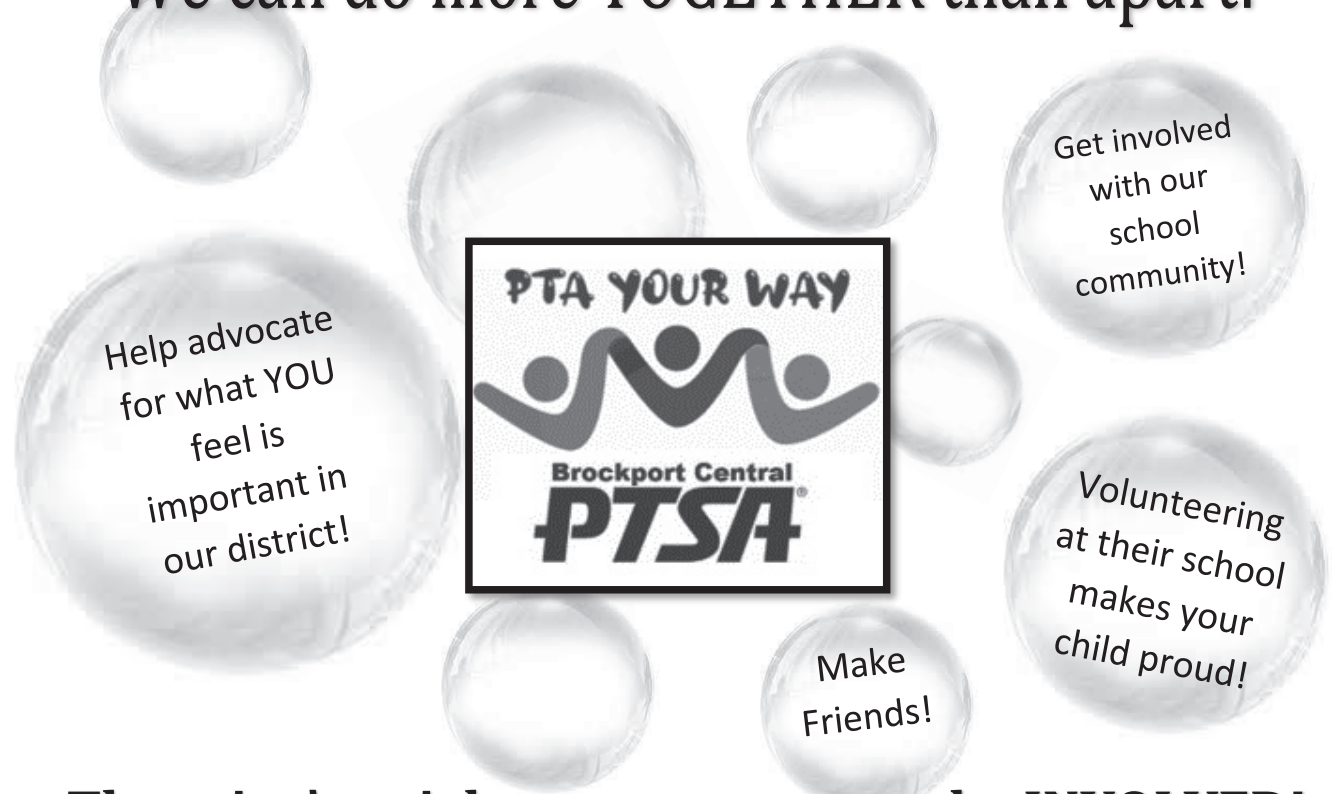

A special thank you goes out to Debbra Williams-Fernaays. She works at the Rochester Museum and Science Center as the Collection Manager and was named as this year's CIP Mentor of the Year. Senior and CIP intern Meaghan Leibert worked alongside Debbra and her staff to help with the

identification of collections, exhibit setup, tear-down and many additional responsibilities of college interns. This was an incredible opportunity for Meaghan, as she hopes to work in a museum someday.

The Career Internship Program is a great way for Brockport seniors to gain insight into their career field of interest. Juniors interested in the CIP should contact their BHS counselors.

We can do more TOGETHER than apart!

Dear Residents,

Welcome to the Brockport Continuing Education program! The mission of our program is to offer continued learning opportunities that meet the needs and interests of our community.

The Brockport Continuing Education program is a self-sustaining program funded by enrollment fees. Since we rely solely on course fees, it is necessary to maintain minimum registration requirements. Please know that classes not meeting minimum registration requirements may be canceled. Notifications for class cancellations due to limited registration will be made prior to first class sessions, and refunds will be issued. Please know that class registration fees do not include the cost of books, materials or supplies, unless noted in class descriptions.

Thank you for your support and participation in our program. We encourage you to contact us with questions, concerns or suggestions.

Respectfully,

Katrina Schwartz,
Program Secretary

All checks must be made payable to: Brockport Continuing Education. Our office must receive your registration form and payment one week prior to first day of class/session unless a specific deadline is noted. Please remember that prompt registration may reduce the likelihood of classes being canceled due to low enrollment. You must be 18 years of age or older to be eligible to register, with the exception of those courses designed specifically for younger participants.

REFUNDS, CANCELLATIONS & CONFIRMATION:

Refunds are provided only if a student withdraws from the class 24 hours prior to the scheduled start date. No refunds will be provided after the first class. If you join a class after the scheduled start date, the tuition will be the same amount. If a class needs to be canceled due to maintenance or weather emergencies, no partial refund will be issued. **Refunds will be processed for courses that have been fully canceled from our schedule for reasons such as low enrollment.** Fees for registration do not include the cost of books, materials or supplies, unless noted.

Canceled classes will be rescheduled whenever possible. If a class is not able to be rescheduled and is part of a series, no refund will be given. If a onetime only class is canceled due to weather or emergency and not able to be rescheduled, a refund may be offered. No continuing education classes are held when Brockport schools are closed due to weather cancellations or emergency conditions. Please check the Brockport Central School website, Twitter/Facebook, your local TV or radio stations for cancellations. The fall semester will begin the week of Monday, September 12, 2022. **If you do not receive a notification of cancellation, your class will be held. No confirmations are sent.**

Due to holiday observances, school functions or scheduled recesses, classes will NOT meet on the following dates: October 10, November 11, November 23-26 and December 24-31, 2022.

Arts and Leisure

Brockport Community Big Band

The Brockport Community Big Band is an adult group performing jazz with a focus on big band music from the 1940's to the present day. They rehearse on Tuesday from 7-9 p.m. at Brockport High School year-round. To be considered for membership, a playing audition must be performed demonstrating knowledge of the jazz idiom and a skill level that is commensurate with the standard of the group. Performers on saxophone, trumpet, trombone, bass, piano, guitar and drum set will be considered for membership. Members are required to attend all rehearsals and performances throughout the year. This group is not open to high school age students or college students who do not live within traveling distance to Brockport for weekly rehearsals and performances throughout the year.

Please contact Lorie Bryant at (585) 766-3951 for additional information.

Instant Piano for Busy People (online)

In just a few hours, you can learn enough secrets of the trade to give you years of musical enjoyment. Learn how to play piano the way professionals do, using chords. This course is a mix of lecture/demonstration time and hands-on instruction. Topics will include how chords work in a song, how to get more out of sheet music by reading less of it, forming the three main types of chords, handling different keys and time signatures, how to avoid counting and simplifying over 12,000 complex chords. This class will be held online via ZOOM, so you will be able to sit at your piano or keyboard at home and take this course with no pressure. This course also includes an online book, online follow up video lessons and a recording of the live Zoom class. This allows you to continue to practice and study after the live session ends. Driver Education

Dear Parents and Students,

Welcome to our Driver Education Program at Brockport High School. This is an exciting time for your child that comes with a great deal of freedom and responsibility! Our Driver Education Program is offered to anyone who desires expert instruction from highly qualified teachers prior to receiving a NYS Driver's License. Our Driver Education Program is a comprehensive experience that includes both theory and practice. This program is an investment in your child's future; providing them with the necessary knowledge and experience to become a safe driver.

Below is important information about the program and the process for registering your child. Thank you for your interest and participation in our program. Please contact us at (585) 637-1961 with any questions or concerns.

Respectfully,

Jerrod D. Roberts
Coordinator of Driver Education

Trina J. Kenney,
Administrative Assistant

Enrolled students will receive instruction in the classroom, behind the wheel and on the road, as required by New York State Department of Motor Vehicles. Those successfully completing the class will receive an MV285 certificate that gives the holder the privilege to receive a Class D operator's license when reaching age 17, allowing them to drive after 9 p.m. Students must be 16 years old and hold a valid NYS Driver Permit or License to be eligible for the course. The Pre-Licensing 5-Hour Course material is included in Driver Education. The loan of a text is included in the class fee.

Most insurance companies will offer a discount on compulsory car insurance upon request.

Instructors: Richard Barrett, Rich Fiorito, Gerald Graf and Dana Mallaber

Classroom instruction: ALL students must attend ALL classroom instruction in the Brockport High School Room 192 as scheduled from 3:15-4:45 p.m.

Please note: Student must be present for the first theory class to be allowed entry into the course. Please arrive 15 minutes prior to the start of the first class. (Late arrivals will not be admitted and, if registered, will forfeit course enrollment). No early dismissals from theory class allowed.

Students must have the following for theory class:

- Permit/license
- NYS Driver Manual
- Notebook/folder
- Writing materials

Students must be prepared with the following for each car class:

- Permit/license
- Sunglasses are encouraged
- Appropriate footwear (i.e. no backless sandals)

Driving groups: will start and end at the east-side (pool) parking lot of the high school. Driving classes may be rescheduled at the instructor's discretion due to inclement weather. Should a make-up driving class be requested by a student due to extenuating circumstances, the instructor will reschedule at their discretion. Driving groups may be rescheduled to place four drivers in each time block. Every effort will be made to accommodate rescheduling conflicts. However, the instructor reserves the right to create a schedule that is most effective in terms of number of students scheduled for each driving group. Scheduling of, or transportation to, the road test are not included. Parents or other qualified adults should plan to devote time for enrolled students to practice the skills learned in this class. Only experience and good judgment will make a safe driver. A current NYS Learner's Permit must be brought to all classes.

Registration directions: Please send your payment, completed registration form and a copy of the student's learner's permit to the address listed below. **The cost is \$470 for residents, \$490 for non-residents.** The registration deadline for Session I will end September 7, 2022. **Please select your drive groups, listing your choices in order of preference. First priority will be given to resident seniors, then resident juniors, then underclassmen and non-residents. Every effort will be made to accommodate your request.** You will be notified by e-mail, and a list will be posted in the High School if you have been accepted and enrolled. If a registrant did not get into the session, they will be notified and placed on a priority list for the next session.

Driver Education

Safe Driving Techniques (Five-Hour Course)

The NYS Bureau of Motor Vehicles requires five hours of classroom instruction as a prerequisite for obtaining a driver's license. Applicants affected by this regulation are those applying for a first-time driver's license; those applying for a driver's license because of a lapse of a one-year renewal grace period; and those applying for a new license as a result of revocation of a previous license. The five-hour training period must be completed prior to the applicant applying for a road test. Persons having completed a regular driving education course do NOT need this program.

The following regulations are applicable to all prospective registrants:

- Registration must be completed by mailing the registration form or in person at Oliver Middle School by noon the Tuesday immediately preceding the class. There is a seven-person minimum to hold this class. Registering on time reduces the risk of cancellation.
- Students will be admitted on a first-come, first-served basis.

- Applicants must be 16 years of age or older.
- Applicants must bring their valid learner's permit to register.
- Applicants must pay the \$40 registration fee upon registering and completely fill out the registration form.

An official completion certificate, which is valid for one year from the day of issuance, will be given upon completion of the five-hour program. This certificate must be presented when applying for a road test. It does not qualify participants for reduced insurance rates.

Fee: \$40

Minimum enrollment: 7

Maximum enrollment: 24

Instructors: John DeBaun and Rich Fiorito

Location: Brockport High School, Room 156

Time: 3:15-8:15 p.m.

Summer Bookmobile

The Summer Bookmobile is a library on wheels that travels to designated locations and allows students to check books in and out throughout the summer. The initiative was spearheaded by Brockport CSD librarians six years ago as an effort to prevent the "summer slide" that tends to occur if students fail to read over the summer.

This Bookmobile will be going to the literacy summer school program at Hill School on Wednesdays and Thursdays from 8:30 - 11:30 a.m. for students to check out books. BCSD families wishing to visit the Bookmobile can do so during select times and locations throughout the summer.

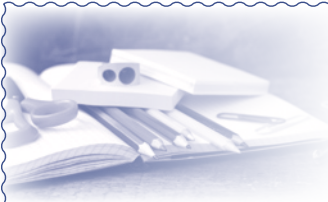

Bookmobile Schedule:

July 12, 26, August 3, 4, 10 and 11

5:30 - 6:15 p.m. Creek Side, Hamlin

6:30 - 7:15 p.m. Hidden Creek, Hamlin

We look forward to reading with you this summer!

School Supply Lists

School supply lists for the 2022-23 school year (grades K-8) are now available on the District's website. Brockport High School teachers will provide supply lists on the first day of school.
