Questions about students staying during the activity period can be directed to the Oliver Middle School Office at 637-1860. It is the student’s responsibility to notify the parent when they are staying during this activity period.

Athletes in seventh and eighth grade are able to participate in team sports, either at the modified level or, if qualified, at the freshmen, junior varsity or varsity level. Check out the Team Sports page to see what sports are available in each of the three seasons; fall, winter and spring.
